

ANTI-AUTHORITY

DAILY REVOLT

RETURN FIRE

INDIVIDUAL WILL

DE-CIVILISATION

**The Burning of a Transmission Mast, Berlin,
and Policing Vehicles Up in Flames, Keynsham**
(communiqués: snaring the flows of the metropolis by disabling its
digital highways and surveillance architecture)

The “Wild” as Will & Representation
(citizenist amnesia vs. regaining the Earth)

'The Advance of Urbanisation'
& anti-development anger

Radical Scavengers Come Out of the Woodwork
(clashes on the streets, recuperative efforts of the latest opportunists)

The Intensification of Independence in Wallmapu
& fragments of a 500-year-old resistance to colonisation

...and more!
